

Halifax Opportunities Trust is a local charity that has been established for over 21 years

We work throughout Calderdale, but our home is very much in Park Ward

We create opportunities for employment, apprenticeships, community and wellbeing, children and families, inclusive integration and enterprise. We do this by running groups, courses, projects and events from a number of places in Park Ward.

Please take a look at the map and use the key below to find where Halifax Opportunities Trust works from

More information about what we do can be found on the next page

hanson lane enterprise centre

There are lots of groups, programmes and activities that support the local community at Hanson Lane Enterprise Centre. Many people visit to get information about career and training opportunities, learn English language and gain wellbeing support. It is also an enterprise centre, where businesses work from industrial units.

Are you looking for work or employment advice?

The Employment team works with you to provide employment and career support, offer free access to computers and give advice about energy costs and household budgeting. **Get support with:**

- Finding a job
- Training opportunities
- Access to computers and internet
- Career paths and work experience
- General advice and guidance

2 The OutBack

the community kitchen and garden

The Outback Community Kitchen and Garden is a large greenspace that grows organic herbs, vegetables and fruit. It is home to two beehives and a straw bale kitchen, where healthy and seasonal meals are cooked. Many community groups hire and use the space, which is also open to the public. Here you can:

- Volunteer in the garden or kitchen
- Learn ways to prepare and cook healthier meals
- Take part in outdoor activities with local people
- Learn about organic principles and being climate friendly
- Hire the space for your organisation or group to use
