## CREATIVE

### NEIGHBOURHOODS

Since January, three diverse Calderdale communities have been working with Hebden Bridge Arts Festival, talking to us about what they might want from a reimagined Arts Festival and creating small projects.

Exhibition taking place:  
Saturday 29th -  
Monday 31st May,  
12pm - 4pm  
Northlight Art Studios,  
Hebden Bridge

This **micro-exhibition** offers a celebratory glimpse into the creativity and ideas of just some of the Calderdale people who have not traditionally engaged with the festival.
